CAL Fire Grant Selection Official,

On behalf of the charter members of the South Fork Cohesive Strategy (SOFAR) collaborative group, I would like to express support for the *Name of Grant* proposal from the *Name of Agency*, for the *Name of Project*. This crucial project falls within the SOFAR collaborative boundary and meet the collaborative cohesive strategy goals, which are to create; 1) Resilient landscapes, 2) Fire adapted communities, 3) Safe and effective wildfire response. The SOFAR group is committed to continue to build upon the work outlined in this grant application with other projects throughout the SOFAR landscape.

Thank You,

Jason M. Sieg, SOFAR Cohesive Strategy Coordinator
