Location: El Dorado Irrigation District, Mosquito Road (Park and enter around back)  
Placerville

Contact: Gina Bartlett, [Gina@cbi.org](mailto:Gina@cbi.org), 415-271-0049

## Important Materials

- [External Facing Red Fir Strategy](#) (see attachment 02)
- [Updated Red Fir Field Trip Report](#)
- [December Meeting Notes](#)
- [Red Fir Strategy Intent](#)

## AGENDA TOPICS

### 1:00 Developing RED FIR External Facing Document

Goal: Finalize Strategy by April 2020

- *At December meeting, the Committee agreed to shift the Field Report into an external-facing document.*
- Feedback on external-facing document outline.
- Beverly Bulosan and Martin MacKenzie will present / do a deeper dive on Dwarf Mistletoe and Root Disease
- Fine tune the analysis, will they help us with the projects coming up for planning?
- Review / consider fire effects' analysis.
- Consider and use data to think about the fire management on the area. Where would fire management or control on the landscape need to occur on the land?
- Prepare to provide initial briefing Full Collaborative on Feb. 12

### 2:45 Crystal Basin as Potential Priority Area -- Ethan Koenigs

See attachment on this potential priority area.
