AGENDA TOPICS

(10 min) Finalize Crystal Basin Fact Sheet

(10-15 min) Status Update for Projects

(40-45 min) El Dorado County Water Agency – Follow-up to Focus Meeting in December

- Project Inventory – EDCWA has put together an inventory for the entire county and would like to merge or compare to SOFAR projects. (see EDCWA web site with projects)
- Consider approach to identify projects for potential grant opportunities.
- BOR specific grant application opportunity overview
- Potential future federal funding opportunities and considerations
- Explore developing resource library related to grant opportunities
- Next steps and assignments

(20 min) SOFAR work plan for 2021 for the Collaborative is under development. What would the Landscape Vision Work Group like to focus on this year? What would the work group like to see the broader collaborative focus on in 2021?
